

KS3 Drama Learning Journey 2022-23

'Matilda' Characterisation
Based on character building you will develop an understanding of stereotypes and script work using the characters from Roald Dahl's Matilda.

'Inside Out' Introduction to Drama
An exploration of basic drama skills. How you apply these to communicate intention and meaning in everyday life. Identify your own feelings; acknowledge having a range of emotions.

'Live Theatre Review'
You will explore effective analysis of live performance. You will have the opportunity this term to see a live theatre production and write a review of it.

'World Theatre'
You will explore theatrical customs, traditions, style and performance; from different cultural storytelling to the historical influences on today's Drama & Theatre.

'Production Elements'
Identify stage skills and techniques and apply to our own practical work - Stage Directions - Script delivery
Character and narrative exploration and rehearsal for performance..

'Drama & Theatre Skills'
Further skills development. You will explore dramatic potential using techniques to effect within your own creative work. Understanding Drama skills and their application for communication to an audience.
